I've marked up one of Gary's Fact Sheets. The current extension runs out on June 6, so we actually need a decision this week (the fact sheet has the deadline of June 6).

I am out of the office tomorrow (early dismissal from school/last day of school). Amy, I will forward the last e-mail extension to you to make it easier to resend, assuming we get the go-ahead. If we don't....

Thanks.
